... because they deserve nothing less than the best!

ILLNESS DIARY

Whether it is a bout of GI Stasis or reoccurring dental problems, by keeping a daily detailed record of everything whilst your bunny is ill will help you & your vet too

Bunny's name	

Day/ Date	**Symptom/s** How are they different from their normal selves? What alerted you?	**Food notes** What have they eaten? Have they stopped eating? When did they last eat?	**Droppings** Are there any? Describe what they look like?	**Action taken/Additional notes** What did you syringe feed? Medications? Any improvement? Useful tips to remember...
